Case No. 2:08-cv-00863-RCJ-GWF

**ORDER ENTERING
TEMPORARY PROTECTIVE
ORDER**

Re: Emergency Motion to Enforce
Amended Stipulated Protective
Order (#609)

This matter is before the Court on Defendants' Emergency Motion to Enforce Amended Stipulated Protective Order and to Strike Notice of Plaintiff's Withdrawal of Consent (#609), filed on January 25, 2013. Plaintiff has not yet filed a response to this Motion. The Court enters this order to preserve or reinstate the status quo in this action regarding the disclosure of Defendants' personal financial information, pending a final ruling on Defendant's motion.

On July 25, 2012, the parties, including Plaintiff's counsel, entered into an Amended Stipulated Protective Order (#507) which provided that "[t]he production of financial information by the Physician Defendants is for counsels' eyes only and is not to be shared or distributed to others, including the Plaintiff in this case and any other non-disclosing party in this case." The Amended Stipulated Protective Order (#507) was not signed by the Court. The undersigned is not aware that Magistrate Judge Johnston or the District Judge made any affirmative decision not to sign and enter the amended stipulated protective order, which appears to be consistent with Magistrate Judge Johnston's oral instructions to the parties on April 25, 2012. *Emergency Motion* (#609), *Exhibit C*. Accordingly,
